- Practicing Dermatologist for kids and adults

Dr. Candrice is a high-energy speaker who shares her dermatology expertise with a large variety of audiences. She is a highly respected, triple board-certified dermatologist and a dynamic, sought-after speaker for both patients and peers. Dr. Candrice has left many audiences inspired and enlightened, as a leading expert in pediatric and adult skin of color. She has spoken at over 100 events.

Her overflowing passion for healthy, beautiful, and glowing skin attracts audiences from all backgrounds. Her laughter, humor, and charismatic personality easily navigates the patient exam room, the boardroom, and all the way to the stage. Nowadays, you can find Dr. Candrice providing excellent care for her patients, publishing, and speaking across the USA, providing practical education on dermatological issues, particularly conditions affecting those with skin of color, self-confidence, success and empowerment. Dr. Candrice says "Skincare is Self care."

Her story of becoming a highly regarded dermatologist in a field where only 3% of the doctors are black, is one to remember. Her mission is to elevate the dermatological care for all people of color.

# Dr. Candrice Heath

Dr. Candrice Heath shares her dermatology expertise with a large variety of audiences as a breakout speaker, keynote speaker and panelist. As a highly respected board-certified dermatologist for both adults and children, Dr. Candrice is also a dynamic, well sought-after author and speaker who speaks on stages globally to lead engaging presentations and lectures on a variety of topics related to skin, hair and nails. One of her areas of expertise and most requested skill, is her approach to treating dermatology issues in pediatric patients with skin of color.

Dr. Candrice's career was inspired by her passion for helping people with skin disorders, such as her very own sister, to navigate the world of healthy skin, hair and nails.

Now, Dr. Candrice is a Dermatologist in high demand who shares that passion with audiences in both intimate and large-scale settings including but not limited to the American Academy of Dermatology, National Medical Association, Frontline Skin Cancer Education Conference, Student National Medical Association, Hot Topics in Pediatric & Adolescence Dermatology Conference, Dermatologic Society of Greater New York, Essence Fest, Skin of Color Update and American Academy of Pediatrics.
